

# Writing Assignment

Create a new document and copy and paste the question prompts into that document.

You will be asked to submit this assignment in an AirTable form at the end of the day. Choose the blue Share button on the top right. Choose “Get Shareable Link” from the top right of the pop-up box. Click on the “copy link” button. Then paste this in the textbox on the AirTable form, using a keyboard shortcut or right click (double click on Mac) and choosing “Paste”.

You can access the AirTable forms by typing ftreport or ptreport in a direct message to yourself in Slack. The bot will pull up the links. There is also a link to these forms at the bottom of every Training Kit page.
